

## IT'S A GREAT TIME TO START (OR CONTINUE) TRAINING YOUR DOG!

*Welcome* (or *Welcome back!*) to our training programs! A happy human/canine relationship depends on understanding and communication. We're here to help! We offer a wide variety of training options, and we can help you make the best decisions when it comes to training your dog.

### HOW TO REGISTER

If you've already filled out our online [Training Registration](#) form, thank you! If not, that's the best place to start. If you need to cut and paste, here's the full link: <http://www.jotform.us/acesongs/Training>

We try to respond to registrations well in advance of the start date for the program requested. If you don't hear from us in time to make your plans, please contact us by email or phone (see below).

### GENERAL INFO & LOCATIONS

We have different services available at our two locations, East Knoxville and West Knoxville. If you'd simply like to visit our facilities and meet us and our staff, there's no charge. For an evaluation session and an introduction to our training methods and philosophy, we charge the same rates as for a private lesson. We recommend at least a 30-minute session.

For Boarding School, private lessons and in-home sessions, we can schedule flexibly, whenever you and our trainers are available. After you register, we'll contact you to set up the details.

Training options are available at each of our Knoxville locations. Group class and events info, maps, rates and other details can be found on our websites. Facebook pages offer additional info.
